**GEN C SCIENCE-MINDED  
STORY REPORTERS:**  
We need you on the climate case!

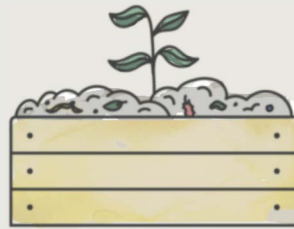

## Here's our challenge for you today.

Submit audio of any of the following for your chance to be featured on an episode of Generation Carbon. You can choose to share either:

### A science spark:

A question you have about climate change, or our earth.

### Action plan updates:

Did you take action after an episode? Share an update! OR any tips, stories or jokes to inspire other Changemakers.

### Story reporting:

Share your findings or observations! A few seconds to a few minutes of research on any climate-change topic.

## Story Reporter How-Tos

- ★ Grab your grownups! You might need some help.
- ★ Simply record in any format, such as a voice memo on your phone.
- ★ Please introduce yourself and let us know where you are from!
- ★ Tip: Make sure to record in a quiet place and sit close to the microphone.
